March 2026

## Board Votes to Host Service Workshop Rally and Pigout

Changing Lanes Alano Club has voted to host a Service Workshop & Pulled Pork Pigout on May 2, 2026, creating a day dedicated to connection, education, and community spirit. The event is designed to welcome both members of Alcoholics Anonymous & other recovery programs and the general public, offering a clear look at the purpose of the club and the many ways it enriches lives.

Throughout the day, guests can take part in interactive service panels, meet board members at an open-conversation booth, and enjoy a lively, welcoming atmosphere that reflects the heart of Changing Lanes.

To make the experience even more inviting, the club will be serving a free pulled pork lunch as part of the celebration. This gathering is open to everyone—friends, family, neighbors, and anyone curious about what the club does—making it an ideal opportunity to learn, connect, and enjoy a fun community event together.
